Delvcam - Feature Rich at an Affordable Price!

The Delvcam DELV-2LCD7-3GHD brings together 3G-HD broadcast quality and multi-format flexibility in a low-cost rackmount video production monitor. The IPS displays offer 1280x800 resolution, 178° wide viewing angles, high contrast, and fast response time.

With dual 7" IPS screens, SD, HDMI, HD and 3G-SDI multiformat capability and tally interface, it's the perfect professional video monitoring solution in the studio, live broadcast truck or fly-pack. The composite inputs are NTSC/ATSC and SECAM compatible.
