### Delvcam - Feature Rich at an Affordable Price!

The Delvcam DELV-3LCD-3GHD features triple 5-inch LCD screens, multi-format flexibility, and 3 color display Tally lights in a low-cost, high-quality rackmount video production monitor.

The high resolution and the 3G-HD broadcast quality make it perfect for professional video monitoring in the studio, live events, post production, and video surveillance.

With a lightweight and sleek design, it's ideal for use in limited space areas in flypacks, TV broadcasting trucks, low-profile consoles, and mobile applications.
