### Delvcam - Feature Rich at an Affordable Price!

The DELV-MLCD35RM is a compact and elegant 2RU design for a quad 3.5" diagonal, rack mount LCD monitor. Housed in a space saving 2RU cabinet with mounting handles, the MLCD35RM is ready for sky-packs, trucks, low-profile consoles, and mobile applications.

Perfect for video confidence monitoring, the black anodized aluminum unit is lightweight and operates in PAL or NTSC. The quad display LCD features looping-terminated BNC front and rear inputs and a rear panel common BNC video out for each display.

Powered by a 12 Volt DC 110/220 AC power pack, it draws less than 1.2AMPS during operation. Designed with the highest quality and performance features, the DELV-MLCD35RM delivers lots of punch for the dollar.
